

Dear Parents and Carers,

We're extremely excited to announce that Premier Education is formally taking over Diptford's Wraparound provision from January 2026.

Premier Education has been working alongside Diptford for many years, providing after school clubs in which you book via the school. Our new set-up sees you book directly through us on our dedicated website. On this, you'll be able to create a profile whereby you can book any session needed up until 2pm on the same day. Additionally, our flexi-booking option allows you to move around your bookings should plans change.

The choice and interest of each individual child is of utmost importance to us and we strive everyday to ensure that unique interests are accepted and celebrated within our settings. In every session, children will be given the opportunity to choose from a set sport, a craft activity (based on a children's book or calendar event), or engage in free play with an array of toys and games.

Attached to this letter, I am pleased to share with you our termly newsletter and our sport and Wraparound curriculum for the Spring term which will be available to book by visiting [www.premier-education.com](http://www.premier-education.com) from Friday 12th December. Simply opt for the 'After School Club' session and your child can choose whether to do the set sport activity or craft/freeplay.

We accept all types of childcare voucher schemes and discounts. If you would like to book using any of these, please do email Andrew on - [aoverhill@premier-education.com](mailto:aoverhill@premier-education.com) beforehand.

Finally, I have also included a few FAQs - which I hope will support you.

Please do reach out if you have any questions or queries. We're very much looking forward to welcoming new and familiar faces to our sessions in the new year!

Yours,

Trudi Steer  
Wraparound Coordinator at Premier Education

## FAQs

### **Can I change a booking if I realise I no longer need that session?**

Of course, if you select 'flexi-booking' when you originally book, this means you can amend your bookings to suit last minute changes.

### **How far in advance do I need to book?**

You can book up until 2pm on the same day!

### **Will your spaces fill up?**

No, we do not have capacity issues. There will always be enough staff to support as many children as needed in the setting.

### **What's the snack offer?**

All children will be offered a piece of fruit when they arrive. Then, at the beginning of the late session, children will be offered a sandwich/wrap/crumpet etc alongside fruit/veg/cheese sticks/breadsticks/crackers etc.

### **Do you cater for dietary needs?**

Of course, upon booking you will be asked to share this information. We welcome face to face/phone calls to ensure we get this right for your child though!

### **What about the sports that you can usually book onto?**

These are still available but please book onto the 'After School Club' option, as they are part of the overall Wraparound offer.

### **My child has SEND, what provision do you put in place?**

We have an Inclusion Manager that works closely with all of our Wraparound settings who can certainly work alongside you and the school to ensure that the Wraparound meets the needs of your child.
